ORAL RINSE

Nothing works faster to stop bad breath and dry mouth than The Breath Company Oral Rinse. Available in 4 Minty Flavours 500ml

FRESH BREATH TOOTH PASTE

Recommended by Dentists to prevent cavities, freshen breath, and improve dry mouth, our sulfate-free Toothpaste formula is highly effective for mouth ulcer sufferers! Available in Mild Mint 75ml

DELUXE STARTER KIT

A fantastic way to get started on the path to peak oral health and truly fresh breath! Our world famous, original toothpaste and oral rinse combined with our advanced formula chewing gum and a very handy tongue cleaner. All available in one, economically priced, starter kit.

CHEWING GUM

Our advanced formula attacks the source of bad breath odour with its three layers. As you chew, the potent natural compounds in each layer are activated — releasing oxygenating compounds and other breath freshening agents. A crunchy outer shell cleans while the chewy middle layer fights bad breath. Citrus Mint 72pc

DRY MOUTH LOZENGES

Unique sugar-free lozenges. Stops dry mouth symptoms and fight bad breath. Natural active ingredients derived from exotic tropical plants restore healthy mouth moisture instantly. Available in Mandarin Mint 72pc
