★ FEATURES

Hydraluron™ moisture jelly uses a combination of 5 scientifically proven ingredients to provide instant and sustained moisture benefits to the skin's surface. Suspended in a hyaluronic acid matrix, this refreshing jelly features PatchH2O™ – a micro network moisture complex which saturates the skin with fast-absorbing ingredients and helps to form a protective layer to defend against moisture evaporation. With each use, skin feels softer, more supple and glowing. Pair with **hydraluron™ moisture serum** for optimal results.

🔍 SKIN CONCERN

Hopelessly dry, parched and dehydrated skin

+ BENEFITS

- ▶ Provides instant and long lasting moisture on the skin's surface
- ▶ Helps skin regain optimal moisture levels
- ▶ Defends against loss of hydration by creating a protective layer that locks in topical moisture
- ▶ Unique light feeling, refreshing jelly

🔧 APPLICATION

- ▶ Our perfectly designed pump jar ensures you get the proper dose every time, in the most hygienic way possible. Apply one pump daily morning and night to a cleansed face and neck
- ▶ For optimal results, use after **hydraluron™ moisture serum**

🧪 INGREDIENTS

- ▶ **A unique combination of PatchH2O™ and Fucogel®:**
 - + PatchH2O is a powerful 'anti-thirst' moisturization, for an immediate and lasting effect that restores the quality of the skin barrier
 - + Absorbed quickly by skin, Fucogel helps provide a long-term binding of water and moisturisation to create a protective film on the skin's surface, which defends against transepidermal water loss
- ▶ **Hyaluronic Acid:** A high-level hydrating substance that holds up to 1000x its weight in water. It acts as the ultimate drink for your skin, resulting in long lasting feeling of softness and hydration in your skin
- ▶ **Full ingredient list:** water, glycerin, pentylene glycol, glycereth-26, carbomer, glyceryl polyacrylate, trehalose, urea, strelitzia nicolai seed aril extract, sodium hydroxide, disodium edta, serine, biosaccharide gum-1, algin, disodium phosphate, pullulan, sodium hyaluronate, potassium phosphate, caprylyl glycol, phenoxyethanol

Paraben, colourant and fragrance-free
