booster

*If only all skin days were created equal—equally good, that is. Unfortunately, most of us have skin that seems to change on the reg, going from glowy and hydrated one day to dry and dull the next. That's where Indeed Lab's™ six new boosters come in. They're concentrated drops of goodness, each with a unique purpose, that you can add to your serum, moisturizer or foundation to customize your skin care on the fly. Need protection? Fight off skin enemies with our new **resistance booster**.*

★ FEATURES

It's your own personal security detail! This skin-fortifying concentrate boosts your skin's natural defenses against damaging environmental factors such as harsh wind, dry air, pollution and UV rays—all of which can lead to a dehydrated, blemished, uneven and unhappy complexion. Use these drops of magic to strengthen your skin's barrier and encourage your skin's ability to renew itself. You'll find you have healthier—and prettier!—skin, no matter what your original concerns were.

🔍 SKIN CONCERN

For all skin types. Helps to boost skin's natural defenses

+ BENEFITS

- ▶ Restores essential lipids to preserve skin's cutaneous barrier, which in turn encourages water retention
- ▶ Fortifies body's natural ability to repair and renew damaged and stressed skin
- ▶ Protects the skin against environmental factors that cause skin aging and moisture imbalances
- ▶ Boosts effectiveness of other skin-care products
- ▶ Nourishes the skin and minimizes breakouts

🔧 APPLICATION

Add two to three drops to cleansed skin morning and night. Apply directly to the face, or mix with your serum, moisturizer or liquid foundation for an extra boost of protection

🧴 INGREDIENTS

- ▶ **Probiobalance™**: helps to rebalance tired and stressed skin.
- ▶ **Melitane™**: helps to stimulate cell regeneration and reduce skin pigmentation. It also aids in the protection against UV-induced chemicals and works to reduce skin redness. Skin looks healthier and glowing.
- ▶ **Full ingredient list**: water/aqua/eau, propylene glycol, isononyl isononanoate, glycerin, cyclopentasiloxane, cyclohexasiloxane, hydroxyethyl acrylate/sodium acryloyldimethyl taurate copolymer, phospholipids, glycine soja (soybean) oil, biosaccharide gum-1, acetyl hexapeptide-1, lactose, milk protein, bifida ferment lysate, isohexadecane, polysorbate 60, cyclohexasiloxane, caprylyl glycol, phenoxyethanol.

Paraben, colourant and fragrance-free
