+ BENEFITS

- ▶ **Retinol reface™** is a unique combination of 1% next generation retinoid fluid with a 1% short & long-term time release retinol complex and a 3% retinol-like peptide, helping to provide the same benefits as traditional retinol with less skin irritation or discomfort!
- ▶ Unlike the rest of the pack, this multi-functional retinol cream is formulated with next-generation retinol for an accelerated resurfacing effect while minimizing the level of sensitivity associated with traditional retinol use
- ▶ Retinol helps to improve skin texture, cell turnover, collagen building, photo-ageing, acne

🔍 SKIN CONCERN

Wrinkles, fine lines, UV damage, uneven surface texture and acne scarring

🧪 INGREDIENTS

- ▶ **Retinol RA (Rapid Action):** converts faster to retinoic acid – the best form of retinol, which may be found in medical or prescription forms of retinol. Conversion is important to ensure it is less likely to destabilize or irritate, allowing you to get the maximum benefits
- ▶ **Retinol Micro-spheres:** a soft, pure retinol encapsulated in plant microspheres that slowly releases into skin. This optimizes the active's effectiveness, working throughout the day after having applied at night with low irritant potential and maintained effectiveness
- ▶ **Retinol-like peptide:** Multi-faceted, anti-ageing, retinol-like peptide technology that provides same benefits as traditional retinol, without the skin irritation or discomfort
- ▶ **Full ingredient list:** water, dimethicone, isodecyl neopentanoate, isononyl isononanoate, cetearyl alcohol, propanediol, caprylyl methicone, cetylalcohol, glycerin, glyceryl stearate, pentylene glycol, dimethicone crosspolymer, dimethyl isosorbide, 4-t-butylcyclohexanol, cetearyl glucoside, peg-100 stearate, sodium acrylate/sodium acryloyldimethyl taurate copolymer, isohexadecane, xanthan gum, hydroxypinacolone retinoate, polysorbate 80, glycine soja (soybean) oil, retinol, carbomer, polysorbate 20, palmitoyl oligopeptide, palmitoyl tetrapeptide-7, acacia senegal gum, propylene glycol alginate, tocopherol, butylene glycol, caprylyl glycol, phenoxyethanol
